

Andrew Wyenandt

Title and Address:

Extension Specialist in Vegetable Pathology
Department of Plant Biology
School of Environmental and Biological Sciences,
Rutgers, The State University of New Jersey
Rutgers Agricultural Research & Extension Center
(RAREC), Bridgeton, NJ 08302

Contact Information:

Tel: 732-932-4000 ext 4144
Fax: 856-455-3133
wyenandt@rutgers.edu

Education

Highest Earned Degree

Ph.D., Department of Plant Pathology, The Ohio State University, June 2004.

Dissertation

Fusarium fruit rot (*Fusarium* spp.) of pumpkin (*Cucurbita pepo*) and its control with cover crop mulches. 2004. The Ohio State University. Advisor: Richard M. Riedel

Other Earned Degrees

M.Sc., Plant Pathology, The Ohio State University, March 1999
Thesis title: "Assessing an integrated disease management strategy for processing tomatoes in Ohio."

B.Sc., Plant Science, Cornell University, January 1996

A.A.S., Greenhouse Production & Management, The Ohio State University/Agricultural Technical Institute, Wooster, Ohio 1993

A.A.S., Nursery Management, The Ohio State University/Agricultural Technical Institute, Wooster, Ohio 1993

Honors and Awards

Professional Awards and Honors

Distinguished Service to Agriculture - 2017. Award presented by the New Jersey State Board of Agriculture.

The Early Career Award - 2010. Presented by the Northeast Division of the American Phytopathological Society (NED-APS) for significant, early career contributions to the field of plant pathology.

The Merle V. Adams Award - 2009. Awarded by Extension Specialists to junior faculty for Outstanding Achievement.

Extension Specialist of the Year - 2007. Awarded by Department of Agricultural and Resource Management Agents for excellence in Extension Outreach.

Employment History

Positions Held

2011-ongoing | Extension Specialist In Vegetable Pathology, Associate Professor, Department of Plant Biology and Pathology, School of Environmental and Biological Sciences (SEBS), Rutgers University CY (30% Research, 70% Extension)

2005-2011 | Extension Specialist in Vegetable Pathology, Assistant Professor, Department of Plant Biology and Pathology, School of Environmental and Biological Sciences (SEBS), Rutgers University CY (30% Research, 70% Extension)

04/2004-12/2004 | Post-Doc, Rutgers University

Publications

Works in Progress

Kline, W.L., **Wyenandt, C.A.**, and D.L. Ward. 2017. Evaluation of slicing cucumber varieties for marketable yield, fruit quality, and downy mildew resistance in southern New Jersey (HortTechnology)

Books

McGrath, M.T., **Wyenandt, C.A.**, and Stevenson, K. (eds.). Fungicide Resistance in North America - 2nd Edition. APS Press, American Phytopathology Society (APS), APS Press, Minneapolis, MN. (expected publication in 2018)

Chapters in Books or Monographs

Wyenandt, C.A., McGrath, M.T., and K. Stevenson. Occurrence of Fungicide Resistance in Pathogens of Non-Solanaceous Vegetable Crops. Fungicide Resistance in North America 2nd Edition. American Phytopathology Society, APS Press, Minneapolis, MN (expected publication in 2018)

Teaching Activities

Teaching Table

Class/Course/Presentation Information						
Date	Program/Event/Location	Title of Presentation	Program Duration	Audience	Resp	Enrolled
04/23/15	Spring Twilight	Vegetable disease control options for spring crops	45 min	Farmers, Extension Agents, Industry Reps	total	20
03/24/15	Cumberland County Master Gardeners	Developing an integrated disease management plan for the home garden	4 hrs	Master Gardeners	total	20
03/11/15	Potato Growers Meeting, RAREC	Potato disease update	30 min	Farmers, Extension Agents, Industry Reps	total	25
03/10/15	Stokes Seed Meeting	Update from the basil downy mildew workshop	60 min	Farmers, Industry Reps	total	100
03/04/15	Climate Change and Agriculture in NJ: A workshop for Extension faculty and staff	Climate change and plant disease	15 min	Extension Agents, NJAES	total	35
03/03/15	Greenhouse Short Course, EcoComplex, Mt Holly	Powdery and downy mildew management in the greenhouse	30 min	Farmers, Extension Agents, Industry Reps	total	25
02/27/15	Central Jersey Vegetable Growers Meeting, Monmouth County	Update on disease control in peppers	30 min	Farmers, Extension Agents, Industry Reps	total	100
02/18/15	North Jersey Vegetable Growers Meeting, Snyder Farm	Vegetable disease control update	30 min	Farmers, Extension Agents, Industry Reps	total	50
02/04/15	Atlantic Coast Agricultural Conference and Trade Show, Atlantic City, NJ	Update on disease identification and control in cucurbits	30 min	Farmers, Extension Agents, Industry Reps	total	60
02/04/15	Atlantic Coast Agricultural Conference and Trade Show, Atlantic City, NJ	Fungicides for managing downy mildew in basil	30 min	Farmers, Extension Agents, Industry Reps	total	60
02/03/15	Atlantic Coast Agricultural Conference and Trade Show, Atlantic City, NJ	Update on disease control in peppers	30 min	Farmers, Extension Agents, Industry Reps	total	60
01/22/15	Pepper Advisory Meeting, RAREC	Update on disease control in peppers	30 min	Farmers, Extension Agents, Industry Reps	total	25
01/15/15	Processing Tomato Meeting, FIRE Center, Bridgeton, NJ	Update on disease control in tomatoes	30 min	Farmers, Extension Agents, Industry Reps	total	25
04/22/14	Spring Twilight	Vegetable diseases control options for spring crops	30 min	Farmers, Extension Agents, Industry Reps	total	25
03/23/14	Cumberland County Master Gardeners	Developing an integrated disease management plan for the home garden	4 hrs	Master Gardeners	total	20
02/25/14	Salem County Meeting	Update on disease control in vegetable crops	30 min	Farmers, Extension Agents, Industry Reps	total	40
03/27/14	Potato Growers Meeting, RAREC	Potato disease update	30 min	Farmers, Extension Agents, Industry Reps	total	25
02/20/14	North Jersey Vegetable Growers Meeting, Snyder Farm	Update on diseases and fungicides for vegetables	30 min	Farmers, Extension Agents, Industry Reps	total	40
02/12/14	Organic Advisory Meeting, Mercer County Office	Managing important diseases in organic vegetable production	30 min	Organic Farmers	total	20
02/04/14	Atlantic Coast Agricultural Conference and Trade Show, Atlantic City, NJ	Breeding for basil downy mildew resistance: Where are we now?	30 min	Farmers, Extension Agents, Industry Reps	total	50
02/04/14	Atlantic Coast Agricultural Conference and Trade Show, Atlantic City, NJ	Update on disease identification and control in cucurbits	30 min	Farmers, Extension Agents, Industry Reps	total	60
02/04/14	Atlantic Coast Agricultural Conference and Trade Show, Atlantic City, NJ	Update on disease control in tomatoes	30 min	Farmers, Extension Agents, Industry Reps	total	60
02/04/14	Atlantic Coast Agricultural Conference and Trade Show, Atlantic City, NJ	Update of disease control in peppers	30 min	Farmers, Extension Agents, Industry Reps	total	50
02/04/14	Atlantic Coast Agricultural Conference and Trade Show, Atlantic City, NJ	Controlling basil downy mildew with conventional control agents and organic materials-What works and what hasn't: Our experiences in New Jersey	30 min	Farmers, Extension Agents, Industry Reps	total	50
01/27/14	Mid-Atlantic Fruit and Vegetable Trade Show, Hershey, PA	Vegetable diseases-what you need to know	30 min	Farmers, Extension Agents, Industry Reps	total	50
01/20/14	New Holland Vegetable Growers Meeting, New Holland, PA	Managing bacterial diseases in tomato	30 min	Farmers, Extension Agents, Industry Reps	total	60
01/20/14	New Holland Vegetable Growers Meeting, New Holland, PA	Phytophthora control in vegetable production	30 min	Farmers, Extension Agents, Industry Reps	total	60
01/10/14	Pepper Advisory Meeting, RAREC	Update on disease control in pepper	30 min	Farmers, Extension Agents, Industry Reps	total 25	
	Mid-Atlantic Vegetable Workers Conference Univ of Delaware	Update on vegetable pathology research in New Jersey	20 min	Extension Agents	total	25

04/15/13	Cumberland County Master Gardeners	Developing and integrated disease management plan for the home gardener	4 hrs	Master Gardeners	total	20
03/28/13	Spring Twilight	Disease control update	30 min	Farmers, Extension Agents, Industry Reps	total	20
03/20/13	Potato Growers Meeting, RAREC	Potato disease update	30 min	Farmers, Extension Agents, Industry Reps	total	20
02/21/13	Processing Tomato Growers Meeting, FIRE Center, Bridgeton, NJ	Disease management in processing tomatoes	30 min	Farmers, Extension Agents, Industry Reps	total	20
02/05/13	Atlantic Coast Agricultural Conference and Trade Show, Atlantic City, NJ	Evaluating fungicides for the control of basil downy mildew	30 min	Farmers, Extension Agents, Industry Reps	total	60
02/05/13	Atlantic Coast Agricultural Conference and Trade Show, Atlantic City, NJ	Integrated disease management options for leafy greens and herbs	30 min	Farmers, Extension Agents, Industry Reps	total	30
02/05/13	Atlantic Coast Agricultural Conference and Trade Show, Atlantic City, NJ	Tomato disease control in high tunnels	30 min	Farmers, Extension Agents, Industry Reps	total	60
02/05/13	Mid-Atlantic Fruit and Vegetable Trade Show, Hershey, PA	Pepper anthracnose control	30 min	Farmers, Extension Agents, Industry Reps	total	60
01/26/13	NOFA-NJ	Managing important diseases in organic vegetable production	60 min	Organic Farmers	total	75
01/21/13	New Holland Vegetable Growers Meeting, New Holland, PA	Pepper Disease Control	30 min	Farmers, Extension Agents, Industry Reps	total	60
01/21/13	New Holland Vegetable Growers Meeting, New Holland, PA	Heat treatment of seeds: A component of bacterial disease management	30 min	Farmers, Extension Agents, Industry Reps	total	60
01/18/13	Pumpkin Growers Workshop, Gloucester County	Update on disease control in pumpkin	30 min	Farmers, Extension Agents, Industry Reps	total	20
04/17/12	Master Gardener Training, Cumberland County	Developing an integrated disease management plan for the home garden	4 hrs	Master Gardeners	total	20
03/21/12	Potato Growers Meeting, RAREC	NEWA: A new disease and pest forecasting system for NJ	20 min	Farmers, Extension Agents, Industry Reps	total	40
03/02/12	Salem County Pesticide Training Meeting	Pesticide control products for vegetable disease	30 min	Farmers, Extension Agents, Industry Reps	total	40
02/24/12	Pumpkin Growers Workshop, Gloucester County	Update on cucurbit disease control	30 min	Farmers, Extension Agents, Industry Reps	total	15
02/21/12	Processing Tomato Growers Meeting, FIRE Center, Bridgeton, NJ	Review of processing tomato fungicide trials at RAREC	30 min	Farmers, Extension Agents, Industry Reps	total	20
02/03/12	Central Jersey Vegetable Growers Meeting, Monmouth County	Transplants and early-season vegetable diseases	30 min	Farmers, Extension Agents, Industry Reps	total	100
02/01/12	Mid-Atlantic Fruit and Vegetable Trade Show, Hershey, PA	Pepper disease management update	30 min	Farmers, Extension Agents, Industry Reps	total	50

02/19/10	North Jersey Vegetable Growers Meeting, Snyder Farm	Update on tomato and pepper disease control	30 min	Farmers, Extension Agents, Industry reps	total	50
02/16/10	Hot Water Seed Treatment Workshop, Cumberland County	Overview of bacterial diseases of tomato and their control	1 hr	Farmers, Extension Agents, Industry Reps	total	30
02/05/10	Central Jersey Vegetable Growers Meeting, Monmouth County	Update on tomato and pepper disease control	30 min	Farmers, Extension Agents, Industry Reps	total	150
02/04/10	Processing Tomato Growers Meeting	Update on fungicide use in processing tomatoes	20 min	Growers, Extension agents, Industry Reps	total	30
01/30/10	Northeast Organic Farming Association of New Jersey (NOFA-NJ) Annual Meeting, New Brunswick, NJ	Managing hard to control diseases in organic vegetable production	1 hr	Organic Farmers	total	40
01/28/10	Pepper Advisory Meeting, RAREC	Update on Pepper Disease Control	15 min	Farmers, Extension Agents, Industry Reps	total	25
01/13/10	Atlantic Coast Agricultural Conference and Trade Show, Atlantic City	Pepper variety trial and disease evaluation - 2009	20 min	Farmers, Extension Agents, Industry Reps.	total	100
01/13/10	Atlantic Coast Agricultural Conference and Trade Show, Atlantic City	Pepper disease control and options for 2010	30 min	Farmers, Extension Agents, Industry Reps	total	75
01/12/10	Atlantic Coast Agricultural Conference and Trade Show, Atlantic City	Update on basil downy mildew	30 min	Farmers, Extension Agents, Industry reps	total	75
12/16/09	Tomato Advisory Meeting, Burlington County	Update on tomato disease control in 2009	15 min	Farmers, Extension Agents, Industry Reps.	total	20
04/07/09	DelMarVA Vegetable Working Group Meeting, Univ. of Delaware	Vegetable Pathology Update for New Jersey	20 min	Extension Agents, Extension Specialists	total	35
04/02/09	Master Gardener Training, Burlington County	Developing an integrated disease management plan for the home garden	2 hrs	Master Gardeners	total	30
02/19/09	Processing Tomato Growers Meeting, Food Innovation Center, Bridgeton, NJ	Improved cultural practices for yield and disease avoidance	30 min	Farmers, Extension Agents, Industry representatives	total	30
02/18/09	Pepper Advisory Meeting, RAREC	Update on pepper disease control	30 min	Farmers, Extension Agents, Industry representatives	total	20
02/10/09	Master Gardener Training, Cumberland County	Developing an integrated disease management plan for the home garden	2 hrs	Master Gardeners	total	20
02/09/09	Tomato Heat Seed Treatment Workshop, Gloucester County	Controlling bacterial diseases in	30 min	Farmers, Extension Agents	total	45

	Office	tomatoes				
02/06/09	Central Jersey Vegetable Growers Meeting, Monmouth County Office	Controlling important disease in pumpkins	30 min	Farmers, Extension Agents, Industry Reps	total	125
01/28/09	Mid-Atlantic Pumpkin School	Update on disease control in pumpkin	45 min	Farmers, Extension Agents, Industry Reps	total	45
01/21/09	Tomato Advisory Meeting, Burlington County Office	Update on tomato disease control for 2009	30 min	Farmers, Extension Agents, Industry Reps	total	20
01/13/09	Atlantic Coast Agricultural Conference and Trade Show	Update on pepper disease control	30 min	Farmers, Extension Agents, Industry reps	total	75
01/13/09	Atlantic Coast Agricultural Conference and Trade Show, Atlantic City, NJ	Update on tomato disease control	30 min	Farmers, Extension Agents, Industry reps	total	125
11/18/08	Western PA Vegetable Growers Meeting	Stubborn disease problems: Bacterial diseases of tomato and Phytophthora on pepper and vine crops	30 min	Farmers, Extension Agents, Industry Reps	total	125
11/18/08	Western PA Vegetable Growers Meeting, Butler, PA	Downy mildew and powdery mildew control in vine crops	45 min	Farmers, Extension Agents, Industry Reps	total	125
10/16/08	Cape May County Grower Training	Pesticide resistance prevention	30 min	Vegetable Farmers	total	10
05/12/08	WERA-60 Annual Meeting, Ft. Collins, CO	Fungicide resistance management in New Jersey and mid-Atlantic region	30 min	University Researchers	total	20
03/27/08	Master Gardener Training, Burlington County	Developing an integrated disease management plan for the home garden	2 hrs	Master Gardeners	total	30
03/25/08	Vegetable Integrated Crop Management Twilight Meeting, Vineland, NJ	Disease control in spring crops	30 min	Farmers, Extension Agents	total	20
02/29/08	DelMarVA Vegetable Working Group Meeting, Univ. of Delaware	Vegetable Pathology Update from New Jersey	20 min	Extension Agents	total	20
02/28/08	Master Gardener Training, Cape May County	Developing an integrated disease management plan for the home garden	2 hrs	Master Gardeners	total	17
02/26/08	North Jersey Vegetable Growers Meeting, Snyder Farm	High Tunnel tomato production in soilless bags	15 min	Farmers, Extension Agents, Industry representatives	total	50
02/26/08	North Jersey Vegetable Growers Meeting, Snyder Farm	Update on disease control in tomato and cucurbits	30 min	Farmers, Extension Agents, Industry representatives	total	30
02/22/08	Tomato Advisory Meeting, Burlington County Office	Update on tomato disease control	20 min	Farmers, Extension Agents, Industry representatives	total	15
02/19/08	Processing Tomato Growers Meeting, RAREC	Update on processing tomato disease control	30 min	Farmers, Extension Agents, Industry representatives	total	10
02/08/08	Central Jersey Vegetable Growers Meeting, Monmouth County Office	Update on disease control in tomato and cucurbit	30 min	Farmers, Extension Agents, Industry representatives	total	120
02/01/08	Pepper Advisory Meeting, RAREC	Update on pepper disease control	20 min	Farmers, Extension Agents, Industry representatives	total	20
01/30/08	Mid-Atlantic Fruit and Vegetable Trade Show, Hershey, PA	Diseases of leafy greens	30 min	Farmers, Extension Agents, Industry representatives	total	25
01/30/08	Mid-Atlantic Fruit and Vegetable Trade Show, Hershey, PA	Disease and disorders of pepper	30 min	Farmers, Extension Agents, Industry representatives	total	60
01/29/08	Mid-Atlantic Fruit and Vegetable Trade Show, Hershey, PA	Update on diseases of vine crops	30 min	Farmers, Extension Agents, Industry representatives	total	50
01/17/08	Atlantic Coast Agricultural Conference and Trade Show, Atlantic City, NJ	Update on diseases and disorders in pepper	30 min	Farmers, Extension Agents, Industry representatives	total	50
01/16/08	Atlantic Coast Agricultural Conference and Trade Show, Atlantic City	Update on cucurbit disease control	30 min	Farmers, Extension Agents, Industry representatives	total	50
01/15/08	Atlantic Coast Agricultural Conference and Trade Show, Atlantic City, NJ	Tomato disease control	30 min	Farmers, Extension Agents, Industry representatives	total	50
11/14/07	Potato Growers Meeting, RAREC	Update on Potato Disease Control	30 min	Potato Growers	total	15
9/27/07	Vegetable Integrated Crop Management Twilight Meeting, RAREC	Update on vegetable disease control	30 min	Farmers, Extension Agents	total	30
5/1/07	Master Gardener Training, Cumberland County	Developing a disease management plan for your home garden	20 min	Master Gardeners	total	25
5/1/07	Master Gardener Training, Cumberland County	Late blight and other important diseases of tomato	30 min	Master Gardeners	total	25
5/1/07	Master Gardener Training, Cumberland County	Late blight and important diseases of tomato	30 min	Master Gardeners	total	25

5/1/07	Master Gardener Training, Cumberland County	Introduction to basic plant pathology	30 min	Master Gardeners	total	25
4/26/07	Cumberland County High School Tour of RAREC	Overview of vegetable pathology program	20 min	High school biology students	total	30
4/11/07	Vegetable Integrated Crop Management Twilight Meeting, Vineland, NJ	Spring disease management for vegetable crops	30 min	Farmers, Extension Agents, Industry representatives	total	30
3/13/07	Master Gardener Training	Developing a disease management plan for your home garden	20 min	Master Gardeners	total	60
3/13/07	Master Gardener Training, Cape May County	Downy mildew and other important diseases of pumpkin	30 min	Master Gardeners	total	60
3/13/07	Master Gardener Training, Cape May County	Late blight and important diseases of tomato	30 min	Master Gardeners	total	60
3/13/07	Master Gardener Training, Cape May County	Introduction to basic plant pathology	30 min	Master Gardeners	total	60
3/1/07	North Jersey Commercial Vegetable Growers Meeting	Update on disease control in vegetable crops	30 min	Farmers, Extension Agents	total	40
2/9/07	Central Jersey Vegetable Growers Conference, Monmouth County	Cucurbit diseases and updates of fungicide use	30 min	Farmers, Extension Agents, Industry representatives	total	120
2/7/07	Violet Packing Processing Tomato Grower Meeting	Update on tomato disease control	30 min	Industry Representatives, processing tomato growers	total	25
1/25/07	Mid-Atlantic Pumpkin School, Burlington County	Update on disease control in pumpkin	30 min	Farmers, Extension Agents, Industry representatives	total	75
1/16/07	52nd Annual Vegetable Growers Meeting, Atlantic City, NJ	High tunnel and field tomato disease control	30 min	Farmers, Extension Agents, Industry representatives	total	100
1/16/07	52nd Annual Vegetable Growers Meeting, Atlantic City, NJ	Fungicide resistance management in vegetable crops	1 hr	Farmers, Extension Agents, Industry representatives	total	100
1/16/07	52nd Annual Vegetable Growers Meeting, Atlantic City, NJ	Update on pepper diseases and disorders	30 min	Farmers, Extension Agents, Industry representatives	total	75
1/16/07	52nd Annual Vegetable Growers Meeting, Atlantic City, NJ	Cucurbit diseases and update on fungicide use	30 min	Farmers, Extension Agents, Industry representatives	total	100
11/1/06	Mid-Atlantic Vegetable Workers Conference, Univ. of Delaware	Update on vegetable pathology research in New Jersey	15 min	Extension Agents	total	30
10/25/06	Pesticide Education Classes, Cape May County	IPM for pesticide resistance management	1 hr	Farmers	total	20
9/28/06	Design and Operation of Greenhouse, High Tunnel and Nursery Systems - 2006 Introductory Greenhouse Short Course	Disease management in high tunnels	30 min	Greenhouse and high tunnel operators	total	25
8/22/06	Vegetable Integrated Crop Management Twilight Meeting, RAREC	Update on Phytophthora-tolerant bell pepper breeding lines and cultivars	15 min	Farmers, Extension Agents, Industry representatives	total	75
8/22/06	Vegetable Integrated Management Twilight Meeting, RAREC	Update on production system and cultivar effects on skin separation (silvering) in bell pepper fruit	15 min	Farmers, Extension Agents, Industry representatives	total	75
8/22/06	Vegetable Integrated Management Twilight Meeting, RAREC	Update on fungicide resistance management for cucurbit powdery mildew	15 min	Farmers, Extension Agents, Industry representatives	total	75
8/22/06	Vegetable Integrated Crop Management Twilight Meeting, RAREC	Update on cucurbit powdery and downy mildew control programs	15 min	Farmers, Extension Agents, Industry representatives	total	75
4/25/06	Vegetable Integrated Crop Management Twilight Meeting, Gloucester County	Spring disease management in vegetable crops	30 min	Farmers, Extension Agents, Industry representatives	total	25
4/19/06	DelMarVa Vegetable Working Group Meeting, Univ. of Delaware	Update on vegetable pathology research in New Jersey	15 min	Extension Agents, Industry representatives	total	35
3/28/06	Vegetable Integrated Crop Management Twilight Meeting, Atlantic County	Soil-borne diseases and early foliar disease management for herbs	30 min	Farmers, Extension Agents, Industry representatives	total	25
3/15/06	APS, Potomac Division	Update on vegetable research in New Jersey	15 min	Researchers, Extension Agents, Industry Representatives	total	75
3/14/06	Master Gardener Training, Cumberland County	Introduction to basic plant pathology	30 min	Master Gardeners	total	20
3/14/06	Master Gardener Training, Cumberland County	Late blight and other important diseases of tomato	30 min	Master Gardeners	total	20
3/14/06	Master Gardener Training, Cumberland County	Downy mildew and other important diseases of pumpkin	30 min	Master Gardeners	total	20
3/14/06	Master Gardener Training, Cumberland County	Developing a disease management plan for your home garden	15 min	Master Gardeners	total	30
3/7/06	NJ Potato Growers Association	FRAC groupings and potato disease control update	30 min	Farmers, Extension Agents, Industry Representatives	total	10
	North Jersey Commercial	Update on fungicides for		Farmers, Extension Agents,		

3/2/06	Vegetable Growers Meeting, Snyder Research Farm	cucurbits	30 min	Industry Representatives	total	33
2/16/06	Master Gardener Training, Burlington County	Late blight and other diseases of tomato	45 min	Master Gardeners	total	60
2/16/06	Master Gardener Training, Burlington, County	Downy mildew and other important diseases of pumpkin	45 min	Master Gardeners	total	60
2/16/06	Master Gardener Training, Burlington County	Introduction to basic plant pathology	45 min	Master Gardeners	total	60
2/16/06	Master Gardener Training, Burlington County	Developing a disease management plan for your home garden	15 min	Master Gardeners	total	60
2/3/06	Central Jersey Vegetable Growers Conference	Disease control in pumpkin and tomato	30 min	Farmers, Extension Agents, Industry Representatives	total	120
2/2/06	Mid-Atlantic Fruit and Vegetable Trade Show	Phytophthora control for eggplant and pepper	30 min	Farmers, Extension Agents, Industry Representatives	total	45
1/16/06	Delaware Agricultural Week, Dover, DE	Disease control programs and fungicide updates for fresh-market vegetables	30 min	Farmers, Agricultural agents	total	100
1/10/06	51st Annual Vegetable Growers Meeting, Atlantic City, NJ	Fungicides for disease control and resistance management in strawberry production	30 min	Farmers, Extension Agents, Industry Representatives	total	40
1/10/06	51st Annual Vegetable Growers Meeting, Atlantic City, NJ	Managing fungicide resistance in vegetable crops	30 min	Farmers, Extension Agents, Industry Representatives	total	120
1/10/06	51st Annual Vegetable Growers Meeting, Atlantic City, NJ	Tomato disease control	30 min	Farmers, Extension Agents, Industry Representatives	total	50
1/10/06	51st Annual Vegetable Growers Meeting, Atlantic City, NJ	Use of Tom-Cast to manage asparagus disease	30 min	Farmers, Extension Agents, Industry Representatives	total	30
1/10/06	51st Annual Vegetable Growers Meeting, Atlantic City, NJ	Fungicides for control of downy and powdery mildew in pumpkin and managing fungicide resistance is key to controlling Powdery mildew	30 min	Farmers, Extension Agents, Industry Representatives	total	90
11/30/05	New Jersey Agribusiness Association Annual Meeting, Mt. Holly, NJ	2005 fungicide trials for powdery and downy mildew control	30 min	Farmers, Extension Agents, Industry Representatives	total	70
11/10/05	NJ Potato Growers Association Meeting, RAREC	Update on potato disease control	30 min	Potato growers, extension agents	total	20
11/3/05	DelMarVa Vegetable Working Group Meeting	Research results for 2005	15 min	Extension Agent and Specialists	total	35
10/26/05	Vegetable Integrated Crop Management Twilight Meeting, Atlantic County	Updates on vegetable disease control	30 min	Farmers, Extension Agents	total	30
9/27/05	Vegetable Integrated Crop Management Twilight Meeting, Gloucester County	Update on Vegetable Disease Control	30 min	Farmers, Extension Agents, Industry Representatives	total	30
7/8/05	Weed Science Field Day, RAREC	Update on vegetable disease research trials	30 min	Farmers, Extension Agents, Industry Representatives	total	50
5/25/05	Gro-Mark vegetable Growers Meeting	Soybean rust in New Jersey	1 hr	Farmers, Industry Representatives	total	100
5/24/05	Vegetable Integrated Crop management Twilight Meeting, RAREC	Update on Vegetable Disease Control	30 min	Farmers, Extension Agents	total	30
5/26/05	Vegetable Integrated Crop Management Twilight meeting, Gloucester County	Disease control and label updates	30 min	Farmers, Extension Agents	total	30
4/5/05	Master Gardener Training, Burlington County	Late blight and other important diseases of tomato	1 hr	Master Gardeners	total	30
4/5/05	Master Gardener Training, Burlington County	Downy mildew and other important diseases in cucurbits	1 hr	Master Gardeners	total	30
4/5/05	Master Gardener Training, Burlington County	Understanding vegetable diseases and the pathogens that cause them	1 hr	Master Gardeners	total	30
3/30/05	Field Crop Weed Control and Pesticide Safety Training, Salem County	Soybean rust - Disease life cycle and management	30	Farmers, extension agents, industry reps	total	25
3/22/05	Vegetable Integrated Crop Management twilight meeting, Cumberland County	Spring vegetable disease control	30 min	Farmers, extension agents, industry reps	total	30
3/18/05	Pumpkin Growers Workshop, Gloucester County	FRAC groupings important for risk management in pumpkin/cucurbit crops	30 min	Farmers, extension agents, industry reps	total	10
3/9/05	NJ Potato Growers Association, RAREC	Potato seed treatments and understanding fungicide resistance	30 min	Farmers, extension agents, industry reps	total	20
2/21/05	Gro-Mark Vegetable Growers Meeting, Bridgeton, NJ	Spring disease control measures	1 hr	Farmers, extension agents, industry reps	total	100
2/15/05	North Jersey Commercial Vegetable Growers Meeting, Snyder Research Farm	Pumpkin Downy mildew control research results and recommendations for 2005	30 min	Farmers, extension agents, industry reps	total	30

2/15/05	North Jersey Commercial Vegetable Growers Meeting, Snyder Research Farm	Control and Management of Late blight for tomato and potato	15 min	Farmers, extension agents, industry reps	total	30
2/4/05	Central Jersey Vegetable Growers Conference, Monmouth County	Downy mildew and other important diseases on pumpkin	30 min	Farmers, extension agents, industry reps	total	100
1/10/05	50th Annual Vegetable Growers Meeting, Atlantic City, NJ	Downy mildew and other important diseases on pumpkin	30 min	Farmers, extension agents, industry reps	total	50
1/10/05	50th Annual Vegetable Growers Meeting, Atlantic City, NJ	Late blight and other important diseases of tomato	30 min	Farmers, Extension Agents, Industry Reps	total	75
12/1/04	11th Annual New Jersey Pest Control and Soil Fertility Conference. Mt. Holly, NJ	Vegetable Pathology Observations from the Field	30 min	Farmers, Extension Agents, Industry Representatives	total	75
8/14/04	Vegetable and Specialty Crops Field Day, RAREC	Update on vegetable disease control	30 min	Farmers, extension agents, industry reps	total	30

Invited Addresses

Invited Speaker, 2010 Mid-Atlantic Crop Management School. 'Managing phytophthora in vegetable production'. University of Maryland. 11/18/2010.

Invited Speaker, 2009 Mid-Atlantic Crop Management School. 'Fungicide resistance management: guidelines for mid-Atlantic crops'. University of Maryland. 11/17/2009.

Invited Speaker. Current Concepts Course. 'An integrated approach to managing important vegetable diseases in the mid-Atlantic region'. University of Delaware, Newark, DE. 2/27/09

Invited Speaker. North American Fungicide Resistance Action Committee (NA-FRAC) Annual Meeting. Minneapolis, MN. July 26, 2008. title: 'Developing a fungicide resistance management guide for vegetable crops grown in the mid-Atlantic region.'

Papers, Abstracts, and Lectures

Brumfield, R. G., Carleo, J., Govindasamy, R., Gohil, H., Heckman, J., Kluchinski, D., Matthews, J., Melendez, M., Nitzsche, P. J., Polanin, N., Wyenandt, C. A. 2017. Budgets for 'Ultra-Niche' Crops (poster). Extension Risk Management Education National Conference, Cincinnati, OH. April 27-28, 2017.

Wyenandt, C.A., D.L. Ward, and N.L. Maxwell. 2010. 'Practical' fungicide resistance and cross resistance development in cucurbit powdery mildew of pumpkin in New Jersey. *Cucurbitaceae* 2010. Charleston, NC. November 14-18.

Wyenandt, C.A., W.L. Kline, D.L. Ward and N.L. Maxwell. 2009. Cultivar and production system effects on the development of skin separation (or 'silvering') in fruit of bell pepper. Proceedings of the 2nd International *Phytophthora capsici* Conference. Longboat Key, FL. Dec. 1-2, 2009.

Wyenandt, C.A., Kline, W.L. and N.L. Maxwell. 2009. Evaluation of fungicides for the control of the fruit rot phase of phytophthora blight in bell pepper production in New Jersey. Proceedings of the 2nd International *Phytophthora capsici* Conference. Longboat Key, FL. Dec. 1-2, 2009.

'Late blight in New Jersey' phone interview with John Weber, 101.5 FM, August 10, 2004

Organizing and Chairing Activities

Participation in Organizing or Chairing Conferences, Workshops, and Organizations

2009-2012	Chair, Fungicide Resistance Development in North America for the 21st Century Workshop, American Phytopathological Society Annual Meeting, Providence, Rhode Island, August 3-4, 2012.
2009-2012	Chair, Northeast Vegetable IPM Working Group
2011	Organizing Committee, 100th Anniversary of Plant Pathology at Rutgers University 1911-2011.
12/2008-ongoing	Member of Northeast IPM Vegetable Working Group
05/2008-05/2009	WERA-060: Management of Pesticide Resistance Multistate Research Project. Chair for 2009 Annual Meeting
06/2007-09/2008	The 19 th International Pepper Conference, Atlantic City, New Jersey, September 7-10, 2008. Co-Chair with Wesley L. Kline, Cumberland County Agricultural Agent.
2007-2009	Northeast Division - American Phytopathological Society - Symposium Chair (2007-2009).

Editorial Activities

Editorship of Scholarly or Professional Journals

Membership on Editorial Boards of Scholarly or Professional Journals

2013-ongoing	Senior Editor, Vegetable pathology, fungicide trials, resistance, and breeding. Plant Health Progress. The American Phytopathological Society.
2007-2013	Section Editor - Citrus, tropical, vegetable and miscellaneous crops - Plant Disease Management Reports. The American Phytopathological Society

Memberships

Membership/Offices Held in Scholarly and Professional Societies

2005-ongoing	Member of American Phytopathological Association (APS), Northeast Division-American Phytopathological Society (NED-APS) <ul style="list-style-type: none"> • Past President of Northeast Division-American Phytopathological Society (2012) (NED-APS) • Past Vice-President of Northeast Division-American Phytopathological Society (2011) (NED-APS) • Past Secretary of Northeast Division-American Phytopathological Society (2010) (NED-APS) • Workshop Coordinator, Fungicide Resistance Development in North America for the 21st Century. 2012 American Phytopathological Association Annual Meeting, 3- 4 August 2012. • Northeast Division-American Phytopathological Society Graduate Award Committee (2007-2009) • Resistance Management Committee – American Phytopathological Association (2009 - present) • Moderator for Diseases of Vegetable Crops Session at 2007 American Phytopathological Association Annual Meeting, San Diego • Symposium coordinator, 2007 Northeast Division-American Phytopathological Society Annual Meeting held in Cape May, New Jersey.
2009-2012	Chair, Northeast Vegetable IPM Working Group

2010-2011	Chair, Pathogen Resistance Committee, American Phytopathological Society
2009-ongoing	Member of Scientific Committee (formerly International <i>Phytophthora capsici</i> Conference). Currently known as Soilborne Oomycete Conference, Co-chair of Chemical Control Session
01/2009-ongoing	Member to the Northeast Vegetable IPM Working Group Member of American Society for Horticultural Science (ASHS); Northeast American Society for Horticultural Science (NE-ASHS)
2006-ongoing	Member of WERA-060: Management of Pesticide Resistance Multistate Research Project. New Jersey Agribusiness Association (NJAA) – Board of Directors 1/05 to 1/07, Vice-President 1/08, President 1/09 - 1/11
2004-ongoing	Rutgers Cooperative Extension Vegetable Working Group
2004-ongoing	Mid-Atlantic Vegetable Working Group

Funding

Externally-Funded Research and/or Training Grants

2016	(Grant Amount: \$52,000) Industry-supported field research, A. Wyenandt, PI
2016	(Grant Amount: \$34,000) Industry-supported contract field research, A. Wyenandt, PI
2015-2019	(Grant Amount: \$2,300,000) USDA-NIFA. Agriculture and Food Research Initiative Competitive Grants Program: Food Security Challenge Area. A production system for high value crops at risk from downy mildew: Integrating detection, breeding, extension and education. (\$563,852 total Rutgers Budget; Wyenandt, Simon, Govindasamy - CoPIs) (\$105,000 Wyenandt Budget), Hausbeck et al. (MSU lead)
2015-2019	(Grant Amount: \$299,998) USDA-NIFA. Crop Protection and Pest Management Program: Applied Research and Development Competitive Grants Program. Cucurbit IPM for reducing pollinator exposure to key fungicides. (\$23,874 Wyenandt budget), Everts et al. (UMD lead)
2015	(Grant Amount: \$46,000) Industry-supported contract field research, A. Wyenandt, PI
2015	(Grant Amount: \$74,000) Industry-supported field research, A. Wyenandt, PI
2014	(Grant Amount: \$66,000) Industry-supported contract field research, A. Wyenandt, PI
2014	(Grant Amount: \$69,000) Industry-supported field research, A. Wyenandt, PI
2013	(Grant Amount: \$63,000) Industry-supported contract field research, A. Wyenandt, PI
2013	(Grant Amount: \$53,000) Industry-supported field research, A. Wyenandt, PI
2012	(Grant Amount: \$65,000) Industry-supported contract field research, A. Wyenandt, PI
2012	(Grant Amount: \$105,000) Industry-supported field research, A. Wyenandt, PI
2011-2015	(Grant Amount: \$1,800,000) Simon et al. USDA-SCRI Grant. Strategies for Improving the U.S. Responses to Fusarium, Downy Mildew and Chilling Injury in Production of Sweet Basil (<i>Ocimum basilicum</i> L.). (\$119,000 Wyenandt budget), Simon et al. (Rutgers lead)
2011	(Grant Amount: \$40,000) Industry-supported contract field research, A. Wyenandt, PI
2011	(Grant Amount: \$75,000) Industry-supported field research, A. Wyenandt, PI

- 2011 (Grant Amount: \$7,000) Northeast IPM Center Partnership Grant. Fungicide Resistance Management Guidelines for the mid-Atlantic Region, Wyenandt et al.
- 2011 (Grant Amount: \$15,000) Northeast IPM Center Partnership Grant. Expansion of the Northeast Vegetable IPM Working Group, Wyenandt et al.
- 2011-2013 (Grant Amount: \$69,000) Northeast IPM Center RIPM Grant. Training the trainers: Expanding the use of seed heat treatment for management of bacterial diseases of tomato in the Northeast region., A. Wyenandt and K. Holmstrom
- 2010 (Grant Amount: \$13,500) Evaluation of fertility programs in bell pepper production in New Jersey., Andy Wyenandt, P.I.
- 2010 (Grant Amount: \$73,000) Industry-supported field research trials., Andy Wyenandt, P.I.
- 2010 (Grant Amount: \$6,300) Monsanto Company. Evaluation of pumpkin cultivars for virus resistance., Andy Wyenandt, P.I.
- 2010 (Grant Amount: \$8,000) IR-4 grant. Evaluation of biopesticides for the control of basil downy mildew., Andy Wyenandt, P.I.
- 2009-2011 (Grant Amount: \$20,154) USDA Crops At Risk Grant Program. Integrated management of snap bean pythium cottony leak through isolate characterization, fungicide sensitivity and host resistance. Co-PI. (Wyenandt budget \$20,154), Rideout et al. (VA Tech lead)
- 2009 (Grant Amount: \$42,000) Industry-supported field research trials., Andy Wyenandt, P.I.
- 2009 (Grant Amount: \$7,125) Fungicide resistance management guidelines for cucurbit downy and powdery mildew control in the northeastern US. Northeast IPM Center., A. Wyenandt, P.I.
- 2008 (Grant Amount: \$24,500) Industry-supported field research trials., Andy Wyenandt, P.I.
- 2008 (Grant Amount: \$20,000) Developing a fungicide resistance management guide for vegetable growers in the mid-Atlantic region. Northeast IPM Center, Andy Wyenandt, P.I.
- 2008-2010 (Grant Amount: \$1,000,000) Expanding IPM-PIPE for Cucurbit Downy Mildew Forecasting. USDA PIPE GRANT. (\$8,000 Wyenandt budget), Holmes et al. (NCSU lead)
- 2007 (Grant Amount: \$15,500) Industry-supported field research trials, Andy Wyenandt, P.I.
- 2007 (Grant Amount: \$10,000) Developing a fungicide resistance management guide for vegetable growers in the mid-Atlantic states. 2007 Northeast IPM Center Partnership Grant Program., Andy Wyenandt, P.I.
- 2006 (Grant Amount: \$9,860) Evaluating the effects of production system and cultivar on the development of silvering in bell pepper fruit. 2006 Northeast SARE Partnership Grants Program, Andy Wyenandt and Wesley Kline, Co-P.I.'s
- 2006 (Grant Amount: \$25,500) Industry-supported field research trials, Andy Wyenandt, P.I.
- 2006-2007 (Grant Amount: \$9,824) Evaluating the effects of variety and production system on the development of silvering in bell pepper fruit. 2006 Northeast SARE partnership grant, Andy Wyenandt and Wesley Kline, Co-P.I.'s
- 2005-2007 (Grant Amount: \$40,000) Development and Dissemination of an integrated Management Plan for Bacterial Canker of tomato. 2005 Northeast IPM Center Partnership Grant. (5% effort), Co-PI's: Andy Wyenandt, Kris Holmstrom, Joseph Ingerson-Mahar
- 2005 (Grant Amount: \$24,000) Industry-supported field research trials, Andy Wyenandt, P.I.
- 2005 (Grant Amount: \$10,000) IR-4 Pilot performance Project for the control of Phytophthora blight in Bell Pepper, Andy Wyenandt, P.I.

Internally-Funded Research and/or Training Grants

- 2016 (Grant Amount: \$7,500) The Charles E. and Lena Maier Research Award presented by the New Jersey Vegetable Growers Association., W.L. Kline and A. Wyenandt, Co-PIs
- 2015 (Grant Amount: \$15,000) The Charles E. and Lena Maier Research Award., W.L. Kline and A. Wyenandt, Co-PIs
- 2014 (Grant Amount: \$15,000) The Charles E. and Lena Maier Research Award., W.L. Kline and A. Wyenandt, Co-PIs
- 2013 (Grant Amount: \$2,000) The Charles E. and Lena Maier Research Award., W.L. Kline and A. Wyenandt, Co-PIs
- 2012 (Grant Amount: \$7,900) The Charles E. and Lena Maier Research Award., W.L. Kline and A. Wyenandt, Co-PIs
- 2009 (Grant Amount: \$3,004) Determination on the causes of russetting in bell pepper fruit. The Charles E. and Lena Maier Research Award., Co-PI's: Andy Wyenandt and Wesley Kline
- 2006 (Grant Amount: \$5,000) Evaluation of bell pepper breeding lines and cultivars for phytophthora-tolerance and development of 'silvering' in fruit. Internal Hatch Awards Program. NJAES., Andy Wyenandt, P.I.
- 2006 (Grant Amount: \$1,500) Growing quality pumpkins on a leaf mulch bed, Snyder Farm Policy Committee, Special Local Needs Grant, Co-PI's: Andy Wyenandt and Joe Heckman
- 2005 (Grant Amount: \$4,600) Evaluation of fungicide maintenance programs for downy mildew control in cucurbit crops. The Charles E. and Lena Maier 2005 Research Award., Andy Wyenandt, P.I.

Service

Service to Rutgers University

- 2014-ongoing | Executive Committee, Department of Plant Biology and Pathology
- 2014-ongoing | Section Leader: Sustainable Agricultural Systems, Department of Plant Biology and Pathology
- 2005-ongoing | Greenhouse Committee, Rutgers Agricultural Research & Extension Center, Bridgeton.
